Leading People Who Are Far From God to Be Continually Formed In Christ-Likeness

Dear Student,

We are so excited that you are considering a Christ-centered college education. Our hope is that your faith in Jesus Christ would continue to blossom. Your college years will be so vital in shaping your heart, morals, convictions, disciplines, and your life direction. Our prayer is that these years would set the course for a life of service to our Savior.

The Trinity Baptist Christian College Scholarship Fund is intended to assist you in pursuing your college education. The initial gift to the scholarship program was given by a family that believes a Christian college experience can be very important in the maturing of a person's faith. The scholarships are also funded through private gifts and resources from Trinity Baptist Church.

The scholarship application is attached. Please submit your completed form to the church office. Scholarships are awarded annually in May. The scholarship qualifications are listed on Page 2 of the application.

If you have any questions, please contact one of the members of the scholarship committee.

In Christ,

The Scholarship Committee
